

Table 1: Profiles of Expert Participants: Professional Backgrounds and Pedagogical Experience.

ID	Discipline	Courses	Exp.	Institution
P01	Architecture	Computation-based Basic Design Studio, Architectural Geometry, Design Computing	22	Private University A
P02	Interaction Design	Basic Design, Introduction to Computer Graphics, User Experience and Interface Design	25+	State University A
P03	Visual Comm. Design	Basic Graphic Design, Digital Illustration, Publication Design	13	Private University B
P04*	Industrial Design	Basic Design, Design History, Creative Thinking in Design, Fundamentals of Design	10	Private University C
P05*	Interaction Design	Basic Design, Visual Design, Typography, Experimental Typography, Brand Identity Design	8	Private University C
P06*	Visual Comm. Design	Visual Design, Type as Image, Creative Thinking in Design	5	Private University C
P07*	Visual Comm. Design	Visual Design, Typography, Brand Identity Design, Type as Image	5	Private University C
P08	Industrial Design	Basic Design, Adv. Topics in Basic Design, UX Principles, UX Project	17	Private University C
P09*	Interaction Design	Basic Design, Creative Thinking in Design	20	Private University C
P10*	Visual Comm. Design	Visual Design, Typography, Type as Image	28	Private University C
P11*	Interaction Design	Design Thinking, Creative Thinking in Design	6	Private University C
P12	Motion Design	Basic Design, Motion Design, Graphic Design	8	Private University C
P13*	Industrial Design	Basic Design, Design Communication, Industrial Design Studio	10+	State University B
P14	Industrial Design	Basic Design, Design Society and Culture	17	State University B
P15	Industrial Design	Basic Design, Visual Narrative in Design, Graphic Design Studio, Interactive	16	State University B
P16	Interaction Design	Basic Design, Digital Illustration, Typography, Design Visualization, Animation	13	Private University D
P17*	Architecture	Basic Design, Design History, Digital Architectural Design Studio, Scenography	8	State University C
P18*	Industrial Design	Visual Communication, Model Making, Industrial Design Studio, Design Theories and Methods	5	State University D
P19	Architecture	Basic Design, Visualization Techniques, Design and Form	13	State University D
P20*	Industrial Design	Visual Communication, Model Making, Perspective, Industrial Design Studio	4	State University D

Participant IDs (P1–P20) are used throughout to ensure anonymity. *Discipline* indicates primary expertise; *Courses* lists subjects taught during instructional experience; *Exp.* refers to total years active in design instruction as of 2025; and *Institution* specifies anonymized institutional affiliations at the time of data collection.

* Denotes experts who participated in both the interview and workshop sessions.
